

EMFP

Establishment of Model Farms.
Traceable Pakistan

EXPRESSION OF INTEREST

Grant Support for Establishment / Expansion of Processing / Storage /
logistics / Value Addition Businesses

Objectives

Establishment of Model Farms Project (EMFP) is funded by the Agriculture Department, Government of Punjab with an objective to extend technical and financial support to key players in selected horticulture value chains of Punjab for improving quality, enhancing productivity and increased exports.

Nature of Funding

Realizing the immense business potential in export of horticulture products, the Government of Punjab through EMFP is offering various grants up to a maximum of **PKR 7.50 million** each on matching grant basis (50:50) to promote investment in fruits & vegetable processing, storage, logistics and other value addition businesses in Punjab province. Examples of possible business activities include establishment or expanding / upgrading existing fruits & vegetable processing facilities / units, common facility centers, on-farm / off-farm cold storages & pack-houses, processing / value addition facilities etc. Such processing facilities / units, which are linked with the following selected value chains (fresh and value added) will be eligible to apply for grants:

Mango

Citrus

Potato

Vegetables

floriculture

APPLICATION PROCESS

Interested individuals / firms etc. may apply for grant through Expression of Interest (EOI) on prescribed forms available at www.emfp.org.pk & www.agripunjab.gov.pk following due process given in EOI. Hard copies of grant applications (on prescribed format) may be sent to the address given below by **19th December, 2019 05:00 PM**. Late applications shall not be entertained. All envelopes must be marked as **'EOI for Large Grants'**.
